

Fund
Your Dream
ActivClassroom

For the 2011-2012 school year, PTAs can support their schools in a meaningful way by raising funds to acquire state-of-the art classroom equipment for students!

With the PTA's support, schools can purchase Promethean interactive whiteboards (ActivBoards), award-winning student assessment devices (ActivExpression, ActiVote), and ActivSlates for use in the classroom.

Promethean will match the amount raised by the PTA, up to \$3,800, towards the purchase of any combination of qualifying ActivClassroom products. A minimum of \$200 must be raised through your PTA's fundraising efforts to take advantage of this program.

Full details on the Fund Your Dream ActivClassroom Program and registration will be available beginning August 1, 2011 at www.PrometheanWorld.com/PTA.

Good Luck!

Keep up the good work!
